

RV INSURANCE

Protection for wherever you roam.

The freedom you want, the protection you need.

Whether you're exploring the world in a motorhome, camping in the woods in a pop-up or taking your horse to your favorite trail, RV insurance protects you and your recreational vehicle on and off road. You'll have peace of mind with coverage from Safeco.

Most RVs

Exploring is more fun with the right coverage! Choose from coverage options that include:

- Permanently attached equipment or customizations, like awnings, generators, electronics, custom paint
- Diminishing deductible and accident forgiveness
- Waiver of adjustments for depreciation/betterment
- New vehicle replacement, key replacement, loan lease protection
- Roadside and emergency assistance and more

Multiple options

If your RV is stolen or destroyed, Safeco has three total-loss settlement options:

- **Actual cash value (ACV):** We will pay the lesser of the actual cash value or the amount needed to replace the vehicle. This is the only settlement option for horse and utility trailers
- **Replacement cost:** For the first ten years, we will replace the RV with a brand-new vehicle valued up to 120% of the original purchase price
- **Agreed value:** In the event of a total loss, we pay the agreed-upon value reflected on the declarations page

Valuable extras

Safeco offers a robust product that protects you while you wander around:

- With vacation liability coverage, you automatically receive \$10,000 of premises liability protection for incidents like a slip and fall. Up to \$500,000 of protection is available
- Personal effects replacement cost coverage offers up to \$50,000 to repair or replace personal items that are inside or outside your RV, like cameras, radio equipment and clothing¹
- Travel all over the U.S. and Canada; optional Mexico physical damage coverage is also available
