

# snapshot

It's easy to get started down  
the road to personalized savings.

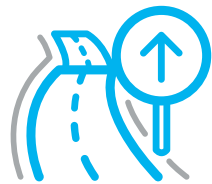

## START

### Sign up

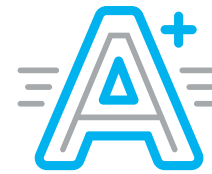

Download the app or use the  
plug-in device.

## SNAPSHOT DRIVING PERIOD

### Drive

Keep Snapshot installed for  
six months.

### Track

We'll measure how much,  
when and how you drive.

## FINISH

### Save

Get a personalized rate based  
on your driving behavior.

### Easily track your progress

See your projected discount online or via the app—anytime. Plus, get tips to tweak your driving behavior,  
which could potentially lead to an even bigger discount.
